

PERFORMANCE SERIES

BAJA®
232

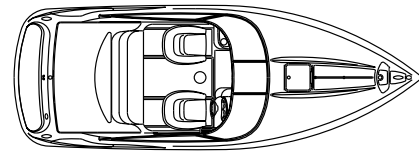

Known for its incredible blend of sport and speed, the Baja 232 is equipped for peak performance. Like all Bajas, its deep-V hull was built to deliver a smooth ride even in rough water. It also offers options normally available only on larger boats, like stand-up bolster seating, textured deck surfaces, Kiekhaefer® high-performance controls and MerCruiser® power up to 415 HP. Inside the cabin, you'll find a couch and wide V-berth, making the Baja 232 just as ideal for a weekend outing as it is for leaving boats in its wake.
