

# PERFORMANCE SERIES

BAJA®  
HAMMER™

The Baja Hammer virtually flies with the highest horsepower offering in its class. With a powerful MerCruiser® stern drive to shoot you on-plane quickly and a large 60-gallon fuel capacity for fewer stops at the pump, it's a perfect choice for all water sports. A Clarion® Thunder™ CD stereo provides you with traveling music, while a swim platform and fold-up ladder allow easy access for swimmers and skiers. The Hammer has enough room to fit six comfortably, and still delivers the flat-out speed you expect from a Baja. And thanks to our deep-V hull technology, you'll enjoy a smooth, comfortable ride all day long as you're shredding the water.

Length 21'4" - 6.50 m • Beam 8'4" - 2.54 m  
Weight 3,300 lb - 1,496.9 kg • Draft 34" - 86.36 cm  
Deadrise at Transom 20° • Fuel Capacity 60 gal - 227.0 L  
Passenger Capacity 6 • Sleeping Capacity 2
