

# Islander series

Power and performance in one package: the Baja® 252 Islander. Its deep-V performance hull provides precise handling and a great ride at high or low speeds. In addition, an oversized bow area and a large sport-styled cockpit ensure that your whole family will enjoy endless days of cruising or skiing on the water. Its stand-up bolster seats, full-framed windshield with companionway door and ease of operation make the 252 Islander as much fun to drive as it is to look at. A carpeted, enclosed head, Clarion® Thunder™ CD stereo, swim platform, fold-up ladder and storage throughout mark the 252 Islander as just the boat to cure those summertime blues.
