

Bet you didn't know exhilaration came in a 29-foot package. Powerboat enthusiasts who understand performance know that it doesn't get any better than slicing through the water as only an Outlaw can. No, it's not for show - it's downright lean and mean. Put simply, the 29 Outlaw is a pure rush of wicked speed.

Length 28'9" - 8.76 m Beam 8'6" - 2.59 m Weight: Single Engine 5,575 lb - 2,508.7 kg; Twin Engine 6,800 lb - 3,060 kg Draft 38" - 96.52 cm Deadrise at Transom 24 degrees Fuel Capacity 150 gal - 570 L Passenger Capacity 8 Sleeping Capacity 2 Color/Graphics Pictured: SST Graphics (1) Arctic (2) Hot Teal (3) Abaco Aqua (4) Hot Lanta
